

Tasmanian Farmers and Graziers Association

Commitment to Child Safety

December 2022.

One of the core areas of strategic focus for Tasmanian Farmers and Graziers Association (TFGA) is education. Projects such as Kids to Farms, and Enabling the Ag Innovators of the Future, form a valued extension of our work.

Some TFGA employees may be involved in education with young people. TFGA is committed to promoting a safe environment for children.

TFGA has a duty of care to ensure all young people engaging with our organisation are kept safe and have their rights respected.

TFGA is committed to protecting the physical, emotional, cultural and social wellbeing of children and has zero tolerance towards child abuse.

TFGA has policies and systems in place to protect children and vulnerable people, and all allegations and safety concerns will be treated seriously.

TFGA is working towards meeting The National Principles for Child Safe Organisations.

TFGA acknowledges that child safety is everyone's responsibility.
