

Supporting small business and customers

The TasWater Board has made the decision to give 100% rebate on regular bills to small businesses on electricity tariff 22, 94, 82 or 75 issued between 1 April 2020 and June 2020, and a twelve-month price freeze for all TasWater customers from 1 July 2020.

Customer Q&A

1. What is the financial assistance being offered?

100% rebate on your regular quarterly bill for small businesses on electricity tariff 22, 94, 82 or 75 issued between 1 April 2020 and 30 June 2020. Additionally, our price freeze will continue for all customers for a further 12 months from 1 July 2020 which means the prices will not go up.

2. Which businesses can access the 100% rebate on their quarterly bill?

Businesses on electricity tariff 22, 94, 82 or 75.

3. If I am a small business, how do I apply for the rebate?

TasWater are trying to make this as straight forward as possible for their customers. If you are on the electricity tariff 22, 94, 82 or 75, the discount will automatically appear on your regular quarterly business's bill issued between 1 April 2020 to 30 June 2020.

4. What if I am not eligible and don't receive the 100% rebate on my next regular quarterly bill?

As TasWater are trying to make this a straightforward process, it is possible we may miss some businesses that are eligible for the 100% rebate on their regular quarterly bill. In the event you feel you qualify for this rebate and have not received it, please contact TasWater on www.taswater.com.au/About-Us/Contact-Us or enquiries@taswater.com.au

5. Why isn't the rebate being offered to residential customers?

These measures have been put into place to support small businesses in Tasmania in recognition of the vital role they play in supporting the state's economy as employers of many Tasmanians.

6. How do I apply to receive the price freeze?

You don't need to apply to receive the price freeze. TasWater have kept it simple and will not be adding a price increase onto your next bill.

7. What if I rent, can I still receive the price freeze?

This will depend upon the lease agreement you have in place with your landlord.

8. If I pay my bill indirectly as a tenant how do I get the rebate?

Generally, the payment of TasWater bills rest with the property owner, not the tenant. You will need to speak to the landlord.

9. Will TasWater offer any other financial support to customers?

TasWater will continue to work with government as the situation unfolds.

10. What if I am facing financial hardship?

TasWater's Customer Support Program provides support if you experience financial difficulties. TasWater understands that it may be especially challenging now to meet financial obligations and expenses. TasWater will work with you to create a solution that meets your individual needs.
