

# ENTERPRISING RURAL WOMEN - NORTH WEST TASMANIA

## "BIG JOURNEYS BEGIN WITH SMALL STEPS"

Are you an enterprising woman? We want to hear from you. Come along to the first Enterprising Rural Women - North West Tasmania event. This event is open to all enterprising women, and will provide the opportunity to network, hear from other enterprising women and find out about training opportunities. Bring an item to help you tell about your enterprising idea or journey so far (for instance: a photo, a product sample, a drawing, diagram, whatever you like!)
