

## **Managing Deliveries & Visitors**

Non-essential visits to the workplace should be cancelled or postponed.

Deliveries and other contractors who need to attend the workplace should be given clear instructions of your requirements while they are on site.

Minimise the number of workers attending to deliveries and contractors as much as possible. Make alcohol-based hand sanitiser available for workers after physically handling deliveries.

Direct visiting truck drivers to remain in vehicles and use contactless methods such as mobile phones to communicate with your workers wherever possible.

Use, and ask deliveries and contractors to use, electronic paper work where possible, to minimise physical interaction. Where possible, set up alternatives to requiring signatures. For instance, see whether a confirmation email or a photo of the loaded or unloaded goods can be accepted as proof of delivery or collection (as applicable).

If a pen or other utensil is required for signature you can ask that the pen or utensil is cleaned or sanitised before use. For pens, you may wish to use your own.
